Request: Number of budgeted positions (teachers and ESP's); expenditures on positions.
Position information is available on the CPS website:
http://www.cps.edu/About_CPS/Financial_information/Pages/EmployeePositionFiles.aspx

Request: Conversion table that connects NCES ID, ISBE ID, Oracle ID, and School ID with each school.
This is available online in the school directory. You can select a whole category of schools, such as "elementary schools" and then export the information, which includes all of these identifiers.

Request: Addresses for each school.
This is available online in the school directory. You can select a whole category of schools, such as "elementary schools" and then export the information, which includes addresses. The CPS website for the school directory is:
http://schools.cps.edu/
